

Hi to all,

Hope this email finds you all well! As some of you know RAW was created for women to have the opportunity, to go out and get all that built up energy out of their system in order to come home healthier, more relaxed and of course if you have a daughter opportunity to play on the same team with their daughters....

I have been working on getting contacts in order to offer all the women in RAW new challenges ie ...home and away tournaments with teams from all over...so as to be able to experience the challenge of a tournament, to be exposed to different styles of play, make new contacts etc..

We have our own Just for Kicks tournament which will be going on its 3rd year we attracted over 26 teams this year.

Well I have found our starting point. There will be a HUGE tournament at the end of July and there will be teams from all over, overseas, USA etc...be prize \$ for the winners and finalist which can be just split up amongst the players on the team or even used as partial payment for the upcoming fall winter RAW season.

It is a Corporate tournament so its not only a soccer weekend, a GREAT networking opportunity but also a great meeting venue for all :0)

There are different divisions and I have **RESERVED RAW** spots in all of them the following divisions have been set up

- 1) Futsal (5 v 5) in a gym
- 2) 7 V 7 women 18+
- 3) 7 v 7 coed
- 4) 11 v 11 women
